

September 2008

**Peter H. Dodge, FAIA**

## Resume

As a founding principal of Esherick Homsey Dodge & Davis, Mr. Dodge has broad experience on major institutional, commercial and resort projects. He has led the design of all of the firm's work at Mills College, including the new Rothwell Student Center Plaza, planning for the Performing Arts Center, the F. W. Olin Library, the Aron Art Center additions and the historic renovation of the 129-year-old Mills Hall. His other work includes: RAB Motors, Jaguar, and Lexis, in San Rafael, California, and Autobahn Motors, prominently located along US Highway 101 in Belmont, California; Walter Stiern Library at California State University, Bakersfield, the renovation of Boarding Area B, South Terminal, San Francisco International Airport; the renovation of Forest Hill Station, San Francisco (MUNI Light Rail System); Ekahi Village, Wailea Resort (Maui, Hawaii); master planning and design of new research and administrative office buildings for the Rand Corporation, Santa Monica, California; and the United States Embassy and Consulate in La Paz, Bolivia. Mr. Dodge joined the firm in 1956 and served as President of the Corporation from 1979 to 1985.

Since 1997, Mr. Dodge has acted as an independent architect on over thirty residential, small academic, and commercial projects as well as continuing to act as a consulting founding principal for EHDD/ Architecture on a variety of projects.
